Fortescue Metals Group

Ref: 250817 FMG – Solomon – Power Station Buildings

Troy,

Thank you for the opportunity to provide a price for the positioning of various buildings at the Solomon Power Station. Pricing includes the following;

- Provision of personnel and supervision;
- Provision of JRS EWP for W@H's;
- Provision of franna for building and block positioning;
- Positioning of all blocks, stairs and buildings at nominated power station location;
- Connection of plumbing as required;

Total - \$36,224 ex GST

Notes and Exclusions

- Client to provide flights, fuel and accommodation;
- Any delays outside the control of JRS will be charged at applicable rates;
- Electrical by others;
- No allowance for earthworks to ensure buildings are level.

The quote is based on the acceptance of conditions - Fortescue Purchase Order Standard Terms (Australia) 100-CO-CP-0098 and that the JRS current payment terms are carried through to any Purchase Order raised relating to this quotation.

If you require any further information, please don't hesitate to give me

a call.

Regards
